Are you putting yourself at risk of exposure to COVID-19?

All inpatients, regardless of COVID-19 status, should wear a mask when anyone enters their room. (*Universal Mask Policy* PolicyStat ID: 7906660)

- **Inform** – Educate patients on the established universal mask policy upon arrival to the unit.
- **Provide** – Ensure every patient has been provided a surgical mask and has it within their reach.
- **Protect** – Protect yourself. Wear the provided extended-use mask when around others.
- **Reinforce** – Uphold universal mask protocols with co-workers and patients.

“My mask protects you, and your mask protects me.”
